

BUILDING BRIEF

March 13, 2017

Attention: Parking Congestion

We please ask your patience as parking has become more congested at the Shaller Family Sholom East Campus due to our expansion project. We anticipate project completion in late March.

We apologize for the temporary inconvenience.

Phase 1 construction phase is complete. Four additional long term care units were added to the north side of the 3rd floor and two units were added to the 4th floor.

Phase 2 of construction is nearly completed. This phase includes the addition of four long term care units on the south side of the 3rd floor. We anticipate construction to be completed in the next week or so. You will find regular updates on our website at www.sholom.com. Additionally, there will be regular informational postings throughout the buildings.

We will do our best to minimize any disruption to the normal activities and routines of our residents. In fact, we have several special events and entertainment planned to enhance your experience at Sholom. If you have questions about your particular needs, please contact Lisa Charlton, Director of Social Services at lcharlton@sholom.com or 651-328-2022.

—**Andrea Krebs**, Shaller Family Sholom East Campus Administrator
