## WHAT YOU NEED TO KNOW...

Care conference letters were mailed out in February. If you chose not to attend yours, please call Lauri or Lisa as soon as possible to make arrangements to sign papers needed to keep your chart current.

**Reminder...**Day center staffing is based on attendance. It is very important to call the day center **at least one day in advance** if you need to add or cancel a day. This will help us staff appropriately and give us time to contact transportation if needed.

*Thanks for your help!*

## How can I pay for day services?

We hear this question often, so although we have addressed it in prior newsletters we thought we'd share again. There are many ways to pay for ADC services, including bathing. They are:

- **Private Pay** – Client, care partner, or a family member pays all fees.
- **County Programs** – Some county programs include ADC services, and we do have a county contract. *Even if you don't think you qualify*, I encourage you to call them about available programs.
- **Veteran's Administration** – Many veterans receive benefits through the VA. Our ADC is an approved provider.
- **Long Term Care Insurance** – If you have a LTC policy, check your benefits.
- **Other** – We are willing to review other resources, including options where payment comes from multiple sources.

Please note that it is your responsibility to pursue these options to find out if you qualify. If you need contact numbers, please let us know and we will do our best to find them for you!

## \*\*\* Notice of Rate Increase \*\*\*
