YOUR CASE MANAGER

Your Home Care Case Manager will be a nurse or physical therapist. They will work with your doctor, other team members and caregivers to develop a plan of care. Your Case Manager will also evaluate your progress towards your goals and communicate these results with your entire care team.

REFERRALS AND PAYMENT

Referrals for services can be made by physicians, social workers, family members, friends, healthcare providers, community agencies, and patients themselves.

Medicare, Medicaid, most long-term care plans, private pay and private insurance plans cover many home care services that your physician has ordered.

Our knowledgeable referral coordinators can describe services in detail. Please call (952) 939-1649 to learn more.

OUR HOME CARE TEAM

Our team members are carefully selected for their caring, compassionate attitudes as well as their expertise and special training. Our care teams consist of friendly, respectful people who are dedicated to your well-being.
