RENOVATION NEWS

WEEK OF AUGUST 3

Thank you for your continued patience with the ongoing renovations. It's great to see things taking shape! Paint, flooring, new cabinetry along with other improvements are really coming to light! As you can see from the list, a lot more changes are coming and bringing with them a great new look to Knollwood Place Apartments!

A big change coming soon will be the renovation of the front entrance. With those renovations, the front entrance will be temporarily relocated. We are currently working on this change and will keep you informed as we progress. Hang in there with us, the best is yet to come!

LATEST DEVELOPMENTS

- 2nd floor painting, drywall – Light fixtures are being installed and wall sconces in the upcoming weeks.
- 1st floor—the front desk is being installed, flooring is being laid (so please use caution on walking paths).
- **For your safety, please respect the signs and barriers indicating no entry.**
- Use caution when exiting the building.
- **Be sure to wear your mask in the common areas including elevators.**
- Feel free to use the back patio area and the wonderful new furniture.
- All rooms/offices, dining room & beauty salon are still under renovation.
- Coming soon, the front entrance will be temporarily relocated—more to follow.
- Thank you for pardoning our dust during this exciting renovation.
