Lori and Doug Weissman – Living their Values Every Day

Lori and Doug Weissman live their values: family, *tikun olam* (repairing the world), caring for those who need assistance, and giving back to the community.

These principles and guideposts underscore their professional work, their volunteer and lay leadership roles in the community, and their philanthropy to Sholom and the community.

Lori & Doug Weissman and their son, Alec.

Doug credits his value system to both his upbringing and his long association with philanthropy. Doug learned first-hand, growing up in a household where his mother was a "do-er" for several causes. Doug is the CEO of Family Partners, Ltd. which is the family office of the Fingerhut/Deikel family group who have provided generous grants throughout the community. He shared, **"By working closely with Ron Fingerhut, Beverly Deikel, and their mother Rose^z, I've developed, over the years, a deeper understanding of helping those in need."** Doug quickly came to understand the important role Sholom has in the community and likewise for Ron and Beverly, a fact which was amplified when Rose moved into Knollwood Place Apartments. A number of years ago, Doug's relationship with Sholom was strengthened when he was able to help facilitate some upgrades to resident rooms in the care center on the Ackerberg Family Sholom West campus. As part of the resolution, he encouraged Ron and Beverly to help with the issue, and they responded generously. He remarked, **"I've come to understand that financial assistance – *tzedeakah* – is greatly needed and appreciated. It makes me feel good that I can play a part in making that happen."** Today among his many roles in the community, Doug is a member of Sholom's Budget and Finance Committee. He also sits on a private foundation board where he is able to help direct financial support to areas of great need.

With roots in Detroit and Chicago, **Lori, too, was raised in a family committed to Jewish values and the Jewish community.** Both her parents were employed in helping professions and served as Lori's role models. They encouraged her to go to law school to pursue her passion for social justice, and she worked to reclaim abandoned properties as an attorney for the City of Chicago. When asked about the **motivation for her activism**, Lori replied, without hesitation, **"Tikun Olam, and also, I feel I am a very fortunate person and I have an obligation to give back."** Lori does just that: she is genuinely and deeply involved making the community a better place.

Lori and Doug came to Minneapolis for a job opportunity over twenty years ago, leaving family and friends behind in Chicago. Coupling her drive and passion for social justice, and a desire to become part of the community, **she became active in several organizations**, paving the way for her future roles on several boards and committees: Sholom, Jewish Community Relations Council (JCRC), Jewish Family and Children's Service (JFCS), and the National Council of Jewish Women MN (NCJW MN) to name a few.

Reduce your taxes and INCREASE the benefit to the Sholom Foundation

Doing something positive for someone else is guaranteed to make you feel terrific, and if you can reduce your tax burden at the same time, it's a win for everyone! By initiating a **charitable rollover** from your Individual Retirement Account (IRA) to the Sholom Foundation, you are:

- **Benefiting more than 1,000 deserving Sholom residents** who receive care and services 24/7
- **Reducing your taxable income**
- **Making you feel good** in the process

If you are at least 72 years of age, you may know that you are required to withdraw a certain amount from your IRA annually, known as a Required Minimum Distribution (RMD). These funds must be taken whether or not you have a need for them, and they are taxed as income. As an alternative, consider making a **charitable rollover** which allows you to transfer up to \$100,000 from your IRA directly to the **Sholom Foundation**. You **won't pay taxes** on the transfer, and the gift counts dollar-for-dollar to support the good work at the **Sholom Foundation**.

You may also count the gift against your RMD, lowering your income and tax burden in the year of the transfer.

Consider the impact married couples can have when each spouse is able to contribute up to \$100,000 per year; doubling the effect of the contribution. While the RMD goes into effect at age 72, charitable rollover contributions may be made from your IRA beginning at age 70½.

It's easy to participate in a charitable rollover. Contact your IRA Administrator or Custodian to request a direct transfer from your IRA to the Sholom Foundation.

For more information on this simple way to help the residents at Sholom, please call Joel Mandel, 952.939.1593, or jmandel@sholom.com.

Contributions to the Sholom Foundation help fund exercise programs, recreational equipment, and therapeutic activities for Sholom's seniors.

Sholom's Annual Campaign Reinforces Exceptional Care

The quality care provided to Sholom's residents is being supported by Sholom's Annual Campaign, which helps to fund the Sholom Tuition Assistance Program and other educational opportunities for staff. This past year Sholom's faithful employees performed their jobs in extraordinary circumstances, striving to meet a multitude of needs created in the wake of COVID-19. Staff stepped in as surrogates for loved ones, maintained resident engagement, and carried out stringent new regulations. In doing so, staff's knowledge and expertise grew. We are **cognizant of the employees' monumental efforts, the need for ongoing training, and the importance of retaining these wonderfully skilled individuals.**

Sholom's Tuition Assistance Program bolsters and expands employees' skills and proficiencies, promotes job opportunities, and fosters employee retention. Sholom's Annual Campaign is proud to reinforce this very important undertaking.

The Tuition Reimbursement program enabled Tom and Kelsey to receive Human Resources Certifications, and Robin to achieve his Safety/Sanitation Certificate in Food Service.

This program invests in Sholom's top performers who pursue educational opportunities outside Sholom's walls which relate directly to their career development at Sholom. Funds are available on a first-come, first-served basis, with \$1,000 – \$4,500 available per person depending upon the focus and certification/degree of the coursework. Following successful completion of the respective programs,

Trained Medication Assistants celebrate receiving their TMA certification.

participants are expected to remain within Sholom's workforce for at least 12 months.

A sampling of courses in which degrees or certifications have been earned: nursing, registered nursing assistants, wound care, end-of-life doula, human services and human resources certificates, dietary and health care/long-term care management.

In-house course work is made possible by government grants, private funders, and educational institutions focusing on: certified nursing assistants, trained medication assistants, dementia care specialists and caregivers, and healthcare interns.

Two valued groups will benefit from your annual campaign gift:

- Staff members who diligently **study to improve their knowledge, self-confidence**, and desire to be part of the Sholom Team
- Sholom's residents whose lives are **bettered as staff knowledge and education increases**

When you are contacted to participate in **Sholom's Annual Campaign**, please respond generously. **Your tzedakah supports exceptional care delivered by exceptional people to deserving seniors**

Sholom Hospice and Homecare – Bringing Services to YOU!

When the name Sholom is mentioned, the two continuum of care campuses come to mind. What may be a surprise is Sholom's outstanding **Hospice and Homecare programs** will travel to **wherever someone calls home** within the seven-county Metro Area. Sholom's **Medicare certified hospice program** offers the benefits of hospice care with the added specialty of optional spiritual care and services such as Jewish customs, traditions, and specially trained volunteers. **The Medicare certified home care program** aids in the healing process following an injury or surgery, or stabilizing a chronic illness when the individual needs to stay at home.

HOSPICE

The Sholom Johnson Hospice Agency was inaugurated in 2008 adding to Sholom's array of vital services. Hospice care becomes an option when a physician declares an individual to have a life expectancy of six months or less accompanied by the discontinuation of all curative treatments. The program supports patients and their loved ones, facilitating as full a life as possible. The hospice program is comprised of services delivered by an **Interdisciplinary Hospice Team including a physician, nurses, aides, social worker, spiritual leader such as a Rabbi, massage therapist, music therapist, and a cadre of volunteers.**

Herman Shilkrot is utilizing Sholom Hospice Services. He is seen here surrounded by his family on Father's Day.

Hospice offers peace of mind and a warm, soothing quality of life, providing for physical needs and comfort care and meeting emotional and spiritual needs. Hospice care is not merely focused on the last few days of life, rather, it offers great benefits throughout this difficult journey.

Sholom Hospice does not provide 24/7 care, however, Sholom's campuses often become home for those receiving hospice services.

Assisting the patient and family may look different in every case, yet each is met with dignity and compassion. Examples of how our Team goes the extra mile include:

- A female patient was eager to spend time with her son who was having difficulty dealing with his mother's impending death. The hospice team bundled her up and took her to the frozen lake where she could **spend one-to-one time with her son while ice fishing together**, bringing peace to both.
- A **young divorced father talked extensively** with the hospice social worker. The social worker was able to communicate the gentleman's words to his daughter, comforting the **8-year-old with her dad's wisdom and life lessons.**
- Mrs. Eddy Cohen, a Sholom resident, was a music lover and requested the Sholom Hospice Music Therapist. **Ultimately, they collaborated on writing a beautiful song which she recorded shortly before her death.**

HOME CARE

Sholom Medicare Homecare expertly provides **therapies** (physical, occupational, speech), **nursing care**, and **home health services** enabling individuals to **recover at home**, whether that be a house, apartment, or a unit in an Assisted or Independent Living Residence. **A professional health care team guiding the recovery process can make all the difference in someone's recuperation or to help stabilize a chronic disease.** Sholom's home health care services meet the same strict standards of care and competence as on each campus. Medicare Homecare is a wonderful option.

Sholom Hospice and Sholom Homecare exemplify Sholom's pledge to provide professional compassionate care, meeting the client where they are, and adding to Sholom's full continuum of services.

To find out more or contribute to these programs, please contact Jeffrey Sherman, 952.939.1594, jsherman@sholom.com.

Sholom's *Care Comes First* Capital Campaign – A Dream Come True

Tremendous thanks go to every contributor to Sholom's *Care Comes First* Capital Campaign. Your generosity is making a dream come true!

Residents are enjoying the soft-opening in the newly refurbished dining room. Continental breakfast is available Monday-Friday in the KPA Dining Room.

Since the first fledgling conversations revealed plans for upgrades and changes to both Sholom campuses, **the excitement has grown exponentially.** The kitchen air conditioning at the Shaller Family Sholom East Campus, expansion of WiFi and infrastructure upgrades at both campuses, a new parking lot at the Ackerberg Family Sholom West Campus, and installing additional laundry facilities at Knollwood Place Apartments **represent just a few of the Capital Campaign improvements completed which better the lives of Sholom residents.**

Residents agree that the new surroundings and ambiance completely refresh the dining experience.

One of the most exciting, satisfying, and beautiful results of the Campaign is the renovated first floor of Knollwood Place Apartments.

The remodeled spaces, the stunning warm

and welcoming lobby, and beautiful dining room represent the dedication and foresight of every leader, volunteer, and donor. ***Care Comes First*** aptly describes the feeling which imbues every aspect of the remodeled facilities.

The next phase of the Campaign is **equally exhilarating – the renovation of Sholom Home West on the St. Louis Park campus.** Building upon 35 years of

delivering expert clinical, social, and therapeutic services with care and compassion, a major facelift is on the drawing board. **The first floor along with several infrastructure systems at Sholom Home West** will be

modernized to provide efficient, warm, and comfortable surroundings. The renovations will maximize state-of-the-art rehabilitation modules and other resident-centered program facilities. More details will follow.

Staff meeting in the new conference room, conveniently located off the main lobby.

The brand new Nosh Nook is available for lunch, snacks, or coffee and “schmoozing.”

Sholom is eager to share these wonderful changes with the community. The long awaited **re-dedication and open house at the Knollwood Place Apartments** will take place on **Sunday, September 19, 2021, 1:30 – 3:00 pm**, preceded by **the Sholom Alliance Annual Meeting.** We hope you will join us to experience the magnificent renovations at Knollwood. Please mark your calendars now; more information will be published later in the summer. **We look forward to toasting this success with you.**

For more information on the Capital Campaign, or about the Open House, please contact Joel Mandel, 952.939.1593, jmandel@sholom.com.

Sholom's Cutting Edge COVID-19 Rehabilitation: at the forefront of Post- Pandemic Care

Providing optimal care and services for Sholom's residents and the community remain a top priority.

As new health related issues arise, **Sholom's staff and lay leaders are tasked to research, and gather information to help.** Sholom has identified a **unique need** to serve those who contracted COVID-19 and continue to have symptoms.

Recently, some residents exhibited **symptoms associated with COVID-19** which lingered long after their illnesses had resolved. Published research, e.g. from Washington University, validated observations at Sholom and noted that some individuals who had COVID-19 can develop complications which last several weeks or longer.

People who contracted COVID-19 and have long-term symptoms may have been asymptomatic, may have had mild symptoms, or may have been hospitalized. While most individuals fully recover from COVID-19, some individuals, informally known as "long-haulers," may experience a combination of symptoms including infections and heart inflammation, weakened lung capacity or shortness of breath, confusion or decreased cognition, a reduction in strength and balance, a decrease in endurance, depression and anxiety. **Aging adults impacted by COVID-19, especially those with comorbidities and chronic disease, are at a higher risk for long-term complications. A cover story in the May 17, 2021, edition of the StarTribune, further details the struggle of long-haulers, and the need for concerted rehabilitation.**

Early evidence suggests that some of these complications may improve with time, especially if the individuals receive appropriate rehabilitative care.

Using a collaborative multi-disciplinary approach, Sholom is developing protocols designed to overcome these deleterious effects, bringing together staff from both Sholom campuses including Occupational, Physical, and Speech Therapies, Social Services, Therapeutic Recreation, and Clinical Care Services. A series of assessments will be conducted to define necessary interventions. The team will study:

- Level of ability to function, balance, and tolerate walking/movement
- Cognitive performance, ability to communicate assessing cognition, speech, language, and swallowing
- Social histories, person-centered planning, mental health information
- Quality of life surveys, care assessments, program participation based upon preferences, tolerance, and cognitive level

Sholom's new COVID-19 protocol will be available for residents and program participants within Sholom's short-term/post-acute rehabilitation as well as residents living in long-term care, assisted living, independent living apartments, and individuals residing in the larger community and can be served on an out-patient basis.

As a vital community resource, Sholom is taking its place at the round table for community health to research, assess, and treat this new condition. **Sholom is proud to have a role in this cutting edge new area of medicine.**

For more information or to contribute to these research efforts, please contact Jeffrey Sherman, 952.939.1594, jsherman@sholom.com.

Lori's first job in the Twin Cities was an assistant pre-school teacher at Adath Jeshurun's Gan Shelanu where programs with Sholom's residents **reignited her passion for helping seniors and youth.** Serendipitously, the Weissmans developed wonderful friendships with families having long relationships with Sholom. **The bond between Sholom and the Weissmans was set for life.**

One of their proudest accomplishments is their **son, Alec,** and instilling in him the values which are important to both Lori and Doug. For Alec's mitzvah project in preparation for his Bar Mitzvah, he brought the family dog, Skittles, to Sholom for regular pet visits with residents; this experience initiating his own path of giving back and fostering Tikun Olam. In high school, he became a Big Brother with JFCS, and caring about others remains a constant for Alec.

Lori and Doug complement each other's activism, philanthropy, and values. Both are tireless advocates for those less fortunate, and are dedicated financial supporters of Sholom. They strive to improve the world, make it safer, and give back to the community which welcomed them with open arms. In agreement, they said, "Our community needs a place where elderly Jews can live their lives, feeling safe and comfortable. It's where care and services are provided and needs are met. Sholom offers so much. **We are proud to contribute to Sholom and are thrilled to be part of its success. We invite others to join us."**

For more information and opportunities to support Sholom, please contact Joel Mandel, 952.939.1593, jmandel@sholom.com.

Flower arranging is very popular. Much gratitude is sent to Trader Joe's which donates flower to both campuses each week.

A Simple Bequest

A simple statement in your Will is all it takes to make a very powerful gift.

Gifts made as part of a Will or bequest may be in the form of cash, securities, real estate, life insurance policy, tangible personal property, or from your IRA or other retirement accounts. An attorney can assist you in translating your wishes into a document which delineates how your assets will be distributed after your death. In addition to benefiting the Sholom Foundation, this gift may be deductible in determining your estate taxes.

We hope you will notify us about your bequest plans for Sholom. We want to include you as a member of the **Sholom Foundation Heritage Society**, joining the honor roll of other individuals who have made Sholom a priority by including the Sholom Foundation in their estate plans.

At Sholom, There is Alwa

Celebrating Mother's Day with a beautiful corsage from the Sholom Auxiliary.

Using Zoom technology, services of all faiths are easily accessible for all residents.

Arts programs are designed to offer dexterity and creativity.

Cooking programs continue to be popular – both the preparation and sharing the delicious treats.

Therapeutic Recreation staff provide exercise classes for all abilities.

Residents enjoy a laugh while making gifts of appreciation for the home health aides.

Completing the over-sized crossword puzzle helps residents reinforce brain power while working together toward a common goal.

Residents gather for a conversation with staff on one of the beautiful patios at the Shaller Family Campus.

Friends gather for the annual planting and bringing color to Heidi's Garden, created in memory of Heidi Schechter Moldo ^{z"l}.

ys Something Happening!

A shaded patio is the perfect setting to catch up with friends and enjoy summer.

Planting flowers on the patio of Knollwood Place Apartments made good use of many green thumbs.

Fishing is fantastic for all ages as Sholom's anglers will concur. Let's see who has the biggest fish tale of the season.

Residents dressed the part for their arm-chair tour of Hawaii, which even included hula lessons.

Smiles abound listening to and singing along with a favorite entertainer.

Residents love the energy and exercise when playing Sholom's Table-Top Ping Pong.

The Minnesota Sinfonia treated residents to a live outdoor performance, providing beautiful music and commentary. The audience was most appreciative.

This gardener, sitting beside the myriad of tomato plants he grew from seeds, is quite animated as he describes how big the vines will grow.

Sholom residents look forward to visits from their furry friends. With this special friend, Roxi, the feeling is mutual.

Residents enjoyed a Spring project creating beautiful planters.

At Sholom... Care Comes First

Bud Weiner with his great grand-daughter.

"Dear Sholom Hospice Team: We are so thankful for the loving care you gave to Bud over the last year, and especially at the end of his life. There is no way I could have gotten through it, if it hadn't been for the wonderful doulas. They are angels!"

- Laurie Hunt and The Weiner Family

"Sholom Johnson Hospice Agency is amazing. Hospice has been very attentive to my father's needs and catering to our family. Staff goes out of its way to provide excellent care and services (see picture of Herman and his family on page 4). Thank you!"

- Susan Duchon, daughter of Herman Shilkrot

"I want to commend everyone who works in the kitchen at Knollwood Place Apartments. The meals are fabulous; I miss dinners in the dining room. The chefs, wait staff, and everyone involved in the kitchen are so warm, caring, helpful, and friendly. Please pass on my appreciation to every one of them! Thank you so much."

- Ardis Hokins, resident at Knollwood Place Apartments

*Denotes New Donor

**Denotes Increased Gift

Eagerly awaiting the Sinfonia concert on a lovely summer day.

Every year appreciation is shown to Sholom's employees for their hard work and dedication to the residents. With gratitude to a very generous donor, staff appreciation events this summer focused on "good eats."

Because the first farmers' market was so successful, staff was treated to a second round of farm stand fresh seasonal produce. The sweet corn and first fruits of the season were sensational!

A food truck provided delicious meals with several choices.

Sholom Foundation Funds

Our sincere appreciation to these donors who have established the following new funds or increased their funds to a new level:

Gifts & Naming Opportunities

For endowment gifts and pledges of \$10,000 and more, a designated fund, in your name or the name of a loved one, may be established.

All funds are acknowledged with plaques on the Walls of Honor at Sholom Home West and the Shaller Family Sholom East Campus. For larger gifts, in addition to establishing a fund, you may wish to dedicate or name specific areas, rooms, equipment, furnishings and programs of the Sholom Community Alliance.

SHOLOM AUXILIARY ENDOWMENT FUNDS

The Sholom Auxiliary provides countless volunteer hours and crucial financial resources for the comfort of Sholom residents.

What if you could ensure that your annual support of the Sholom Auxiliary would continue when you are no longer here to write that check? You can! Consider establishing your own named Auxiliary endowment fund or donate to any of the existing Auxiliary endowment funds listed here.

Four percent of every Auxiliary endowment fund is used annually for the benefit of Sholom clients.

All gifts and beneficiary designations should be made payable to: Sholom Foundation, for the benefit of the Sholom Auxiliary. To find out more about creating your own Sholom Auxiliary Endowment, contact Joel Mandel at 952.939.1593.

Endowment gifts of any size are welcome and may be pledged over a period of years or as a bequest. Cash gifts or pledges starting at \$10,000 or estate gifts starting at \$20,000 will establish a named Auxiliary Endowment Fund at Sholom Foundation and will be recognized on the Walls of Honor at both Sholom campuses.
